

Press Release

Women helping women and children is the mission of the Women's **Giving Circle** of Jennings County. This initiative began in 2008 by a core group of women in Jennings County who sought to make a long-lasting impact in the lives of women and children in this community.

Thanks to both a permanent endowment and nonpermanent fund established with the Jennings County Community Foundation, the Women's **Giving Circle** of Jennings County will be offering their seventh annual grant cycle to be awarded at their new member reception June 28th at the home of Dr. William and Beth Burnett. For more information on becoming a member of the Women's **Giving Circle** contact the foundation office at 812-346-5553.

Applications for this grant are available at the Foundation Office or at www.jenningsfoundation.net.

The grants are available to non-profit organizations that have a need for a "helping hand" on a community project. The Women's **Giving Circle** grants are for organizations that meet the needs of women and children in the fields of community service, social service, education, health, environment and the arts. All grants will be made in accordance with current regulation issued pursuant to the Internal Revenue Code as amended.

To be eligible for consideration all grant applications should be returned to the Foundation by May 25th. For additional information or if there are questions, contact Barb Shaw or Joanie VanHorn at the foundation office at 812-346-5553 or email at bshaw@jenningsfoundation.net.
